

Corner Judge

Each sparring ring shall have two (2) or four (4) Corner Judges

Corner Judges can be any Black Belt age 18 or older.

Corner Judges call points, warnings and penalties as they see them. They may be consulted by the Center Referee to help in determining penalties or warnings, although the Center Referee has the power to issue them alone before asking for a vote.

They must be asked to vote on all disqualification rulings and penalty points where the point determines the winner of the match.

It is the majority vote of the Judges that determines a point or penalty.

Corner Judges are to position themselves outside the ring and move outside along the two (2) lines that intersect to make his/her corner.

Judging Officials Dress Code

All tournament judging officials must wear their school dress uniform or black slacks, shirt and tie.
