

Upgrading a Division

A division which maintains an average division load of twenty (20) or more competitors for a season will be considered for upgrade. Consideration of upgrade will follow the following priorities.

1. Separation of sex.
2. Age
3. Separation of rank.
4. Separation of weight.

A division will not be upgraded when the possible divisions the upgrade creates fall below the minimum requirements of a division.

Divisions selected to earn seed points for Qualifying & “Battle of the Champions” State Tournament will not be added to or deleted from for the duration of the season in progress.
