

## **Scoring On Downed Opponent**

A contestant is considered downed when either upper limb or buttocks touch the floor.

Both contestants have three (3) seconds to score when one (1) contestant is considered to be downed. It is illegal to attack to the downed opponents head or jump on a downed opponent.

### **Penalty**

If a contestant attacks a downed opponent to the head or jumps on downed opponent the first warning will be waived and the contestant committing the rules infraction will be subject to an automatic awarding of a point to the offending competitors opponent or a disqualification vote.
