

Combined Rank Divisions

- If different ranks are combined in a division, the division will be ran as follows:

White & Colored:

If a division has White/Yellow & Colored ranked competitors combined due to the 3 competitor rule, the first contestant to three (3) points or whichever contestant is ahead at the end of two (2) minutes playing time will be declared the winner (time continues to run unless the Center Referee calls a stop to time).

Colored & Red/Brown:

If a division has Colored and Red/Brown ranked competitors combined due to the 3 competitor rule, the first contestant to three (3) points or whichever contestant is ahead at the end of two (2) minutes playing time will be declared the winner (time continues to run unless the Center Referee calls a stop to time).

Red/Brown & Black:

If a division has Red/Brown and Black ranked competitors combined due to the 3 competitor rule, the first contestant to five (5) points or whichever contestant is ahead at the end of two (2) minutes playing time will be declared the winner (time continues to run unless the Center Referee calls a stop to time).
