All contestant protests regarding rule violations shall be brought to the attention of the Center Referee (unless otherwise noted) who if required shall get the Rules Arbitrator.

If the Center Referee refuses when required to inform the Rules Arbitrator, then the competitor may get the Rules Arbitrator directly to make a ruling.

If the ruling of the Rules Arbitrator differs from the Center Referee who refused to get the Rules Arbitrator when required affect matches ran during the protest, all matches ran off after the point of protest will be ruled invalid and affected matches must be ran over.
