

## **Judge Removal**

A contestant can request and have one and only one Judge (including the Center Judge) removed from his/her division if the request is made before the division has started.

If an official must be replaced after the division has started, the division will be stopped and re-ran. All competitors who have performed must perform again.

The order of play will be revised in such a way as to place all competitors re-competing to be placed last on the list of players and in the same order as they first competed.
