

Point Discrepancies

All contestant protests regarding point discrepancies shall be brought to the attention of the Center Judge before the competitor whose score is in question is bowed out.

The Center Judge will ask the Judges to keep their scoring books open to the score given to the competitor in question. The Scorekeeper will for a second time, call out the scores on the Judges scoring books and verify the written entry on the official forms elimination form. If an error has been made, the Center Judge will authorize the correction.

If request is made after the competitor has bowed out, the score entered will stand.
